Educator & Parent Early Learning Roadmap

Foundational skill development across all 18 cognitive and motor milestones.

1. Fine Motor & Tripod Pencil Grip

Progressive curves, zigzags, and maze paths build the hand-muscle coordination needed for writing.

2. Alphabet Recognition & Phonics Foundations

Letter sound association, hollow bubble tracing, and phonics vocabulary.

3. Numeracy, Counting & Visual Math

Quantities 1 to 100, one-to-one correspondence, ten frames, and visual addition.

4. Spatial Logic, Observation & Problem Solving

Mazes, spot the difference, dot-to-dot cosmic rockets, and pattern sequences.

Recommended Routine for Parents & Teachers:

- Dedicate 15 to 20 minutes daily of relaxed, screen-free creative play.
- Encourage verbal expression: Ask your child to describe the animals and colors.
- Praise patience, focus, and curiosity rather than staying strictly within lines.
